

Meet Your School Governors

School governors are the key strategic decision-makers who work together with the Head Teacher and the Local Authority to improve the quality of education in our schools.

We have many roles and responsibilities which fall under three key functions:

1. Ensuring clarity of vision, ethos and strategic direction;
2. Holding the leadership to account for the educational performance of the school and its pupils, and the performance management of staff;
3. Overseeing the financial performance of the school and making sure its money is well spent.

Would you like to become a governor? Our parent governors provide a unique viewpoint of the school, experiencing it from 'within' and passing this experience and knowledge to the other governors to help build a stronger governing board. Contact the school for further information or speak to one of the governors directly.
